

THE LAW OFFICES OF
JACK S. JOHAL

A Professional Corporation

July 25, 2018

As some of you know, I was honored to receive the coveted Five Star Wealth Manager award from 2010 to 2014, which was presented each year by Sacramento Magazine in partnership with Crescendo Business Services. This award recognized the efforts of wealth managers, who represented less than four percent (4%) of the wealth managers (e.g. tax advisors, estate planning attorneys, certified public accountants, financial advisors, financial planners, and investment advisors) practicing in the greater Sacramento area.

Sacramento Magazine discontinued the Five Star Wealth Manager award; however, I was honored to be recognized by Sacramento Magazine as one of the 2015 and 2016 top business/corporate lawyers, as selected by my peers in a survey conducted by Professional Research Services Company in conjunction with Sacramento Magazine.

A few weeks ago, I was notified that I was selected as one of Northern California's Top Rated Lawyers for 2018 by ALM Media and Martindale-Hubbell in the area of trust and estates. I was also accepted by The Lawyers of Distinction, a national organization, which recognizes an attorney within the top 10% of attorneys in their respective field in the United States. In addition, I was awarded America's Most Honored Professional by American Registry from 2016 to 2018.

It is a privilege to be recognized as a part of these elite groups.

Very truly yours,

Jack S. Johal
